

Smaila + Smaila LED

FOLDING ARM AWNING | FULL CASSETTE | MINIMAL CUBIC DESIGNER STYLE.

With a sleek cubic design and decorative side end caps, our Smaila Awning offers a distinctive look with stylish side end caps in five attractive colours. Smaila is a combination of the best features in our Awnings range, including the LongLife arm and Opti-Flow-System® that ensure perfect fabric positioning. It can be easily installed on a wide variety of surfaces and cover a large area with ease. Smaila LED offers 30,000 hours of energy-efficient lighting and is designed to blend seamlessly into the cassette for a pleasing glow even when retracted.
