

# Somfy Control Inside & Out

VOICE CONTROLLERS + SENSORS FOR EVERY REQUIREMENT

## Controllers + Sensors

Somfy offer a range of Control solutions to meet every automation requirement for indoor & outdoor window shading, protection, and privacy applications for both residential and commercial applications. Somfy's unique range of remote controls offer the combination of cutting edge technology with sleek minimal style – providing the ultimate in convenience and control at the touch of a button.

From our broad range of Somfy Sensors and automation Controllers, you're able to create energy efficient & convenient environments in all of your indoor and outdoor living spaces. As Somfy automation specialists, we can advise you on the most suitable Control solution, from a single channel Remote, to a 6 channel with timer function, through to a 16 channel with personalised scenarios.

### Individual control

Connect your smartphone devices, each with individual personalised control. Centralise all of your RTS motorised products in one place, allowing you to open or close with just a single touch. Schedule opening and closing of every product at the time & date of your choice.

### Remote Access

Maximise the many benefits such as energy saving and privacy, even when you're not at home.
