## STYLISH NATURAL WEAVES | CHIC DESIGN STYLES

Urban Weave is a stylish natural-look fabric range. It has been designed exclusively for Blinds by Peter Meyer in Australia and has been specified by designers and decorators for a range of homes from stylish prestige, city chic through to simple beach side retreats.

Urban Weave has superb translucent qualities and is available in Romans, Rollers & Moving Panels. We've recently added 3 new trend weave colours to the range which has become an extremely popular selection due to its natural look and texture.

The weave offers around 90% UV blockage and has great heat retention. Front battens are available on Romans and naturally all Roller Blinds, Roman Blinds and Moving Panel Blinds are suitable for motorisation.
